Chemotherapy & INFUSION CENTER

*Memorial Hospital's Infusion Center
was designed with the comfort and
convenience of our community in mind.*

Our Story

Our Infusion Center is fully functioning and able to provide you and your family with a wide range of services. Our Certified Nursing Staff will take great care of you and your family.

Our oncologists have close affiliations with St. Louis University Hospital, St. Elizabeth Hospital, and HSHS Hospitals.

Our administration works closely with surrounding hospitals to forge the path for future services.

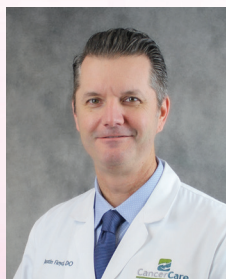

Our Services

Our physicians and staff strive to provide the latest and most innovative services available.

- Chemotherapy and Immunotherapy
- Blood Transfusions
- Port-a-Cath and PICC Line Care and Maint.
- Long-Term Antibiotic Therapy
- Injections/Infusions for Most Medical Issues
- Coordinate Care with Family Physicians, Labs, Imaging, and Specialty Providers

Our Care

Justin D. Floyd, D.O.
Medical Oncology & Hematology

Dr. Floyd is board certified in Medical Oncology, Internal Medicine, and Hospice and Palliative Medicine, and is also certified by the National Board of Osteopathic Medical Examiners. He has been a part of Memorial Hospital specialty staff since 2013. His primary practice, Cancer Care Specialist of Illinois, is located in O'Fallon, Illinois.

Michelle McQuillan, DNP, FNP-BC
Medical Oncology & Hematology

Michelle is a provider with Dr. Floyd and the Oncology/Hematology team at Cancer Care Specialists of Illinois. Michelle's education includes a Doctor of Nursing Practice (2020) and Bachelor of Science in Nursing (2014) from Southern Illinois University – Edwardsville, IL. She is board certified as a Family Nurse Practitioner and is a member of the Oncology Nursing Society.

**Outpatient clinics are held with
Dr. Floyd on Thursdays and
on Wednesdays with
Michelle McQuillan**

Our Infusion & Chemotherapy Department provides:

- Access to clinical trials through Dr. Floyd
- Fast, convenient service
- Care that is close to home
- Comfortable space: heated, massaging chairs
- TV for each chair and free Wi-Fi

Our Commitment

The Memorial Hospital Team is committed to improve the quality of life for the communities we serve through exceptional health care and service excellence.

Our Success Stories

We are proud to provide the community with high quality care close to home. Specialized care with certified staff are here to care for and educate you, so that you have the greatest chances to succeed.

"Everyone is very nice and courteous. I have been having these infusions for almost 15 years, at various different cities, and I would rate this center as one of the Best." - Infusion Patient

"Everyone in infusion is so kind and caring. They make the experience so much better. Relationships make this journey better." - The Hoyles
